Dated: Kolkata, 03-08-2023

ORDER

In view of the consistent feedback received from various districts during weekly review meetings of PBSSD about the drop outs from the training batches, it is decided to allow up to 20% more candidates to be permitted to enrol for the regular training batches. This would increase the ceiling on the batch strength from the existing 30 to 36. This is put in place to increase the viability of the batches. The interested TPs are therefore requested to arrange their sitting space accordingly.

This is for information and taking further necessary action.
